

*There is No Substitute for American Freedom and Exceptionalism*

I am honored to endorse Dr. Sam Alexander in his race for Congress. As a 33-year military veteran, and National Security Advisor to the 45<sup>th</sup> President of the United States, Donald J. Trump, I fought every day to defend and protect the greatest country in the history of the world, the United States of America.

I know we can trust Dr. Sam to continue this same fight against the radical left and establishment republicans in Congress promoting the disastrous Biden-Pelosi Agenda.

Dr. Sam will ALWAYS put America first.

His "Prescription for America" agenda will restore America's position as the leader of the free world by securing our borders, growing our economy, and stopping those seeking to destroy our country from within.

Dr. Sam is a conservative fighter, political outsider and the only candidate running who has never held elected office. We cannot trust career politicians who got us into this mess and certainly cannot trust them to get us out of it.

I hope MAGA patriots from across the country will join me in continuing to fight for the America First agenda by supporting Dr. Sam Alexander for congress.

I am asking each American Patriot to support and endorse Dr. Sam Alexander for Congress by donating at least \$25, \$50, or \$100 to his campaign.
