

Who Won the Week?

CD-7 Republicans – There’s a hot primary a-bubblin in the southwest part of the state. Dr. Sam Alexander jumped into the race with Jay Wasson and Mike Moon reportedly making calls.

Children advocates – The state’s new Office of Childhood is launching. It puts all the state’s programs and resources aimed at childhood under one roof instead of being dispersed across multiple agencies. It’s “a super big deal for early childhood in Missouri.”

COVID Vaccination effort – With the FDA’s full approval this week, there was a round of announcements from companies and schools making vaccinations necessary for their institutions.

Eric Schmitt – Continues to use the AG’s office effectively to raise his profile in the US Senate race.
