Who Won the Week?

Physical therapists – For years they’ve been trying to change the law so they can see patients without a physician referral first. This might be the year. With a quick start their bill is sitting 4th on Senate perfection calendar.

Burns & McDonnell – Landing \$62 million in [shocking lawsuit](#).

Mike Parson – Takes a victory lap from children advocates for the inclusion of some big-ticket items (early childhood education, child care subsidies) that have bipartisan appeal.

IP fans – Realtors’ Sam Licklider sent a warning shot to those who would change the initiative petition process: don’t go too far, or you’ll face some deep pocketed opposition.
