## **Who Won the Week?**

**Public health messaging** – There’s still some partisan shading, but it seems the acceptance of masks is becoming more widespread. A plurality of Missouri Republican primary voters now support a mask mandate.

**Robert Ross** - Pulls ahead in the latest MOScout poll in Senate 33.

**Mike Moon** – Gets some last-minute big checks from trial attorneys in a curious political plot twist.

**Kim Gardner** - George Soros sends \$100K to a PAC supporting her re-election, MOScout poll shows her leading as Republicans jawboning apparently solidifies Democratic support.

**Deb Lavender** – Another reporting period, another outraising the incumbent (\$46K to \$24K). Plus, CL PAC spent everything on the primaries, will it reload to help Koenig?
