## **Who Won the Week?**

**Eric Schmitt** – Grabs a court win on SB 5, and announces the arrest of a murder suspect from a 1986 cold case.

**MATA** – Most observers expected a hard-fought compromise to come out of the COVID liability special session, not a quick retreat by the governor.

**Transportation advocates** – Once more with feeling! The generals are marshalling their armies again to take a transportation tax to the voters in 2022.

**Andrew Koenig** – After winning his “upset” re-election last month, he looks to be in the middle of some of the most high-profile legislative battles of the upcoming session: Reining in COVID restrictions, implementing Wayfair, and pursuing educational reform.
