## **Who Won the Week?**

**Lucas Kunce** – Big SEIU endorsement, and another strong quarter.

**Freshmen Republican women** – It's been a long time since we've had a woman Speaker of the House. But when I asked about potential speakers in the current Republican freshman class, four of the names in the mix were women. The day could be coming again.

**Vivek Malek** – We'll get the official numbers next week. But from the large contributions to his PAC, it appears Malek extended his money lead his quarter.

**HDCC** – Rep. Adam Schwadron's announcement that he's running for secretary of state instead of re-election should put his St. Charles seat in play for Dems. It's a Biden district ripe for flipping.
