Who Won the Week?

Senate Dems – The Senate Veto Session was the fulfillment of Democratic hopes and dreams for next session. Their best hope is for Republicans to sabotage themselves with infighting.

Dean Plocher – As expected, Plocher won unanimous approval from his colleagues to become speaker of the House in 2023.

Tracy McCreery – With a host committee that runs on for pages, she’s the favorite to replace Jill Schupp in the Senate 2022.

Greg Razer – His poignant point of personal privilege during Veto Session session predicted that someday there would be a LGBT history exhibit back in the capitol – and that this episode would be memorialized in it. It’s not an unlikely scenario.
