

## **Who Won the Week?**

**Andrew Bailey** – Landed two traditional endorsements (Cattlemen, and Firefighters) while continuing to launch MAGA jabs (like a brief opposing the judge’s gag order on Trump).

**MO Marijuana Industry** – Celebrates its one-year anniversary of legalization with \$1 billion in revenues. Even the recent hubbub with revoking a manufacture’s license is good long-term for the industry as it gives customers confidence that safety rules are being enforced.

**VLTERS** – Lackluster polling from MOScout this week about how voters would view sports betting legalization undermine the theory that an IP threat could be used as leverage on the legislative process.

**Bill Eigel** – Every time a state senator gets into a fight with a governor, the state senator wins. Evey time. Always elevates them.
