Subject: Announcement of Candidacy for Speaker Pro Tem

Dear Republican colleague,

I am excited to announce my candidacy for Speaker Pro Tem of the Missouri House of Representatives. After careful consideration, I believe that I am the best candidate to serve in this important leadership role.

As many of you know, I have a deep commitment to public service and a proven record of accomplishment in the Missouri House of Representatives. In addition to my legislative experience, I have also had the honor of serving our country as a member of the US Navy, as a way of responding to my experiences in New York during the tragic events of 9/11. This experience has taught me the value of leadership, decisiveness, and teamwork, which are qualities that I would bring to the role of Speaker Pro Tem.

As you have seen, I have experience on the dais and presiding over the Missouri House of Representatives, which is an important responsibility that comes with this position. I believe that my experience in this regard, combined with my knowledge of parliamentary procedure and legislative strategy, would allow me to ensure that the legislative process runs smoothly and efficiently.

Finally, I have a strong track record of getting impactful legislation passed in the General Assembly. I believe that my ability to work with anyone and build consensus would serve me well in the role of Speaker Pro Tem, as it would enable me to advance our shared goals and priorities for the people of Missouri.

I am honored to put my name forth for consideration and hope to share my vision for the future of the Missouri House of Representatives with all of you in the coming months. I look forward to earning your vote.

Sincerely yours,
